

Date	Recorder	Grid Ref.	Site Name	Habitat
Column 1	Column 2		Column 3	

Code	Explanation
✓	Present
Activity	
R	roosting
SW	swimming
FE	feeding
HU	hunting
DR	drinking
FLY	in flight
DY	dying/moribund
D	dead
Annual Status	
QR	Resident
QV	Vagrant

Code	Explanation
Sex, age	
AD	adult F - female M - male
J	juvenile JF - female JM - male
IM	immature IMF - female IMM - male
QY	young
Possible breeding	
SI	mating calls
CA	calling/vocalising
Probable breeding	
TR	holding territory
DIS	displaying
C	copulating/mating
NB	building nest/gathering materials

Code	Explanation
Confirmed breeding	
N	nest (incl. earth & burrow)
FC	carrying food (replaces FY & QFY)
O	eggs/spawn
QNY	nest with young
Miscellaneous	
HI	hibernating
XMH	mole hill
